NEWSLETTER ONE

Offices: 23 Impala Rd Chislehurst, Sandton ,2196

Dear Ones, and Feed the World Family SA and Africa

Thank you for sharing and being with us all.

GAUTENG Our team in Gauteng fundraised for food and has fed the Kya sands school and provided meals to the teachers, the elderly, the homeless and the children . we have donated the utensils and equipment necessary to run the kitchen .This is an ongoing project. All are welcome to participate by contacting the individuals in the Gauteng region.

Feed the World SA has been registered and completed as our NPO . All necessary documents have been acquired. The social welfare department takes from 2 months and longer to peruse documents which were bound in books, and hand delivered to the Director ensuring integrous direct communication is expedited.

The high standards of integrity must be maintained at all times. We encourage you within essential context of course, all to be guided and to follow the management model that has been developed in alignment with our value bases and add your best our best and the best to the projects!

We have met with bushiness individuals and teams, from Eswatini, Mozambique and across SA to organize the projects to be ready and waiting with all necessary registration in place per country This is handled by the Head Office in Sandton with Brother Allan and his designation.

We have sent our project management sheets to be utilized as shared documents to the task teams , or simply join our what's app group,(email JacqueF"feedtheworldsa.com) if you would like to be added or need access of the shared folder) project tool for transparent data base captioning both on sharing and in the groups .

Please submit your information for the projects to JacqueF@feedtheworldsa.com.

This is being put into the creation of our administration system management information .Director Allan Reddy shall be the final guardian in Africa whom shall endorse and choose particular programs, and there shall be a final administrative due diligence requirements required, for auditors' records.

SO far, our teams and communities on the ground are utilizing their own resources to build up all their seva or offerings to build this essential Program . We will be building up resources as we fund raise and grow .We have also appointed a professional accountant and auditor for the project and , all our figures will be available for the Global Head Quarters teams should they wish to inspect.

We are presently establishing the marketing team whom are assisting us to build content and run the web page designed and built also in exchange and service by Crystal Jacobs -which will be active by the end of 2024 . Feedtheworldsa.com

Thando in KZN and Nonhle in Gauteng and ESwatini will be managing this site . Most of our teams have full-time jobs ,so we are grateful for the extended hours, especially at this foundation time, of great excitement and privilege to be involved . We do all together for all together with All .WE leave no One Behind.

Since the end of September 2024, we have requested your participation in feeding schemes as you are able , even if it is in your own homes, sharing with your service capacity, or even if it is in kind and time Everyone matters, And every offering Matters. Thank YOU to the One in ALL

FTWSA CAPE Elgin Grabouw

- HOMELESS
- ELDERLY
- CHILDREN

Johannes and Bev, who assist with collaboration of varied needs and support in the **Elgin Cape and Grabouw space**, have been very active. Johannes in spare hours, delivers and manages service support teams gifting food parcels which we deliver to the head of schools and Creches, responsible family members, community centres and to the homeless and elderly who then care for those on the street.

We have fed over 500 meals per month for the last 3 months and we thank the team on the ground who are feeding essential meals to those who go days without eating, this including young children from the age of 3 and 4 years.

GLOBAL AFRICA FEEDTHEWORD MALAWI

GUARDIAN :**DALITSO**

We give thanks that daily over 1500 children per day are fed in 3 schools throughout Malawi. This young man lives with communities where teams manage daily tasks and sharing with communities and parents. Faith and hard work actioning as we are guided by all the wisdom, love and gifting he can for so many children. He gives Hope and allows healthy growth for long term benefits with children of all ages.

We're humbled to share these photos from our School Feeding Program in Malawi. Mwandama Primary School in Zomba District - where we're providing nutritious meals to students. Chisasila Primary School in Nkhatabay District - another beneficiary of our program. Bwanyundo Primary School in Dowa District - where our meals are making a real difference in the lives of students.

Eswatini Feed the World

We are finalizing the food and education value base program in Eswatini, with Evi, Bruce, and Nonhle and her teams across Eswatini and SA. A meeting Venue has been offered for us to share from, where we are represented, at a business centre, where our Feed the World Eswatini team of 7 individuals at present are grouping together to create communities of peace for children, elders and homeless through food, education, and healthy ways of Living.

Global News

We are also excitedly awaiting a special visitor from India ; to visit our Feed the World South Africa and Africa project visits, with our Appointed Guardian , Allan Reddy, will advise when further details are given for these dates, to arrange meetings in all the areas of projects that are possible at this time .
